be full of good choices for

a very sweet new year!

Happy Rosh Hashanah!

How Rosh Hashanah Began

By Nancy January

This is a very special book that you have to help make.

Cut the stickers out and place them on the pages in the blank frames or draw your own pictures in the blank frames.

Write the Hebrew year on the lines.

An Oklahoma B'nai Noah Society Publication

When we make good choices, we have a sweet year.

One of the good choices we can make to help us be better people is to talk to God about the bad things we say and do and ask Him to help us choose to do good things instead of bad things.

_ 20___

things that he plans for us during the next year will give us opportunities to be better people, so the practice making good God wants to help us choices.

This is a good time to think about how we behave and find ways we can become better people

light the first day.

On the second day, God made the sky.

This was the third day.		God brought dry land out of the water and told it to grow plants with seeds and fruits.	
that we do are written there.	All the good things		

After Adam was created,
God talked to him and told
Adam how to be a good
person.

God wants all of us to choose to be good people.

The choices we make get written in God's Book of Life.

The years on the Hebrew calendar begin on Rosh Hashanah and are numbered from the creation of Adam, so this year is number

We celebrate
Rosh Hashanah every year
because all the
people on earth, even us,
started with Adam.

The is the birthday of all mankind.
